Pineneedle Farms is continuing to grow, keeping up with the demands of our customer's needs. In 2022 we have added a 12,000 sq.ft greenhouse to help us grow many new species and it also allows us to grow consistently with the changing climate. We have also purchased a small farm, it had been a factory that we have converted into a large cooling unit to store more plants to keep dormant and be ready to be moved into planting sites in the spring or fall. Not only are we expanding in the nursery, but our family is always expanding. From our family to yours wishing you all a successful year ahead and keep planting!

CALL FOR PRICING

Terms & Conditions of Sales

Prices: All prices are F.O.B. Pontypool, Ontario, and are for the spring and fall of 2023. Prices are subject to change without notice. We are sorry, but we do not accept C.O.D. orders. Payment(s) must be made by cash, cheque, Visa, MasterCard, interac debit or EFT. Fee for an NSF cheque is \$45.00. Note: VISA or MasterCard purchases that amount exceeds \$2,000.00 will be charged a service fee of 2%.

Terms: A deposit of at least 25% must accompany all orders, and the balance paid in full 15 days prior to shipment. If an order is cancelled after March 20th, we reserve the right to keep the deposit.

Warranty: To provide plants true to name, as set forth in our catalogue. If upon proper proof, our nursery stock should prove to be not true to name, a replacement of the proper plants, or a substitute of equal value will be made upon return of the improper material. Any nursery stock that is damaged in shipping must be reported to the seller immediately upon receipt of the stock from the carrier. This can be reported in writing or by phone. A claim will then be filed with the carrier. If claim is valid, seller will replace damaged nursery stock. No claims will be honoured for nursery stock picked up by the buyer from the nursery one (1) or more days later than the exact pick up date as specified on the order by the buyer. Claims for replacements will be considered only on losses of over forty percent (40%) on seedlings and losses of over 40% on transplants, rooted cuttings, potted, and container plants. IT IS MUTUALLY AGREED BETWEEN PURCHASER AND SELLER THAT THE SELLER WILL NOT AT ANY TIME BE LIABLE FOR ANY AMOUNT GREATER THAN THE ORIGINAL PRICE OF THE NURSERY STOCK.

Claims: Check plants on arrival. Please report problems or shortages immediately, a formal claim must be in writing and must be received within 5 days of receipt of trees. If replacements are made for any reason buyer is responsible for paying freight charges.

No claims, for any reason, will be considered past 5 days of receipt of shipment.

General Information

We are growers of bareroot and container stock. Most of our plant material is grown in open fields for one or more growing seasons. We then dig in early Spring or Fall. The plant material is then graded by size, counted into bundles, and stored until shipping.

We propagate most of our nursery stock from seed, and produce seedlings that are true to the zone(s) of Canada.

Shipping: *In the event actual shipping costs exceed the shipping estimate, you will be billed and are responsible for paying the difference. The items specifically marked with * on your confirmation or with a footnote in the catalogue or website will exceed the shipping estimate in most cases. On these items nursery pick up is suggested if buyers want to avoid extra shipping costs. If you paid by credit card, the exact shipping charges will be billed to the same card

SHIPPING SEASON AND PICKUP HOURS

Prices are subject to change
after February 28 without notice.

Please check our website
for updated availability.

**SCHEDULED
PICK-UP IN
EFFECT!**

Please contact us to book
a pickup appointment.

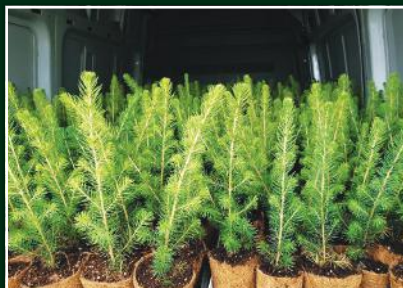

CARE OF PLANTS UPON ARRIVAL

The package should be opened immediately, inspected for proper quantities, and checked for damage. The plant material, if not planted immediately, should be stored in a cool location. Alternatively, you can "heel in" the plants. This means digging a trench deep enough to cover the roots, then placing the bundles of the plants upright in the trench, and covering the roots with soil. The plants should be watered. When planting, DO NOT allow the roots to be exposed to hot sun and drying winds.

Plants are often ruined after pick-up or delivery as they are not planted soon enough or kept at high temperatures.

EVERGREENS

COST PER SEEDLING		25-99	100-499	500-4999	
JACK PINE		NATIVE	<i>Pinus banksiana</i>		
Grows well in sandy soils. Takes extreme cold. Grows near Arctic Circle. Light green needles. Used in forestry industry.

Transplant Branched	2'	60 cm	\$3.00	\$2.25	\$2.00	
REDOSIER DOGWOOD		NATIVE	<i>Cornus sericea</i>			
Noted for its red branches. Great background with snow. Small white flowers. White berries. Excellent for erosion control.						
1 yr. Seedling	12-18"	30-45 cm	\$2.00	\$1.30	\$1.20	
1 yr. Seedling	18-24"	45-60 cm	\$2.50	\$1.40	\$1.30	
2 yr. Seedling	2-3'	60-90 cm	\$3.00	\$2.25	\$2.00	

COST PER SEEDLING		25-99	100-499	500-4999
WITCHHAZEL	NATIVE <i>Hamamelis virginiana</i>			
Leaves change from green to yellow in the fall. Fragrant flowers appear in mid October.		SOLD OUT		
SPICEBUSH	NATIVE <i>Lindera benzoin</i>			
Medium growing shrub. Light green leaves turning bright yellow. Spicy fragrance.				
1 yr. Seedling	12-18"	30-45 cm	\$3.00	\$2.60
				\$2.40
NINEBARK	NATIVE <i>Physocarpus opulifolius</i>			
Medium to fast-growing shrub with dense foliage.				
2 yr. Seedling	12-18"	30-45 cm	\$2.50	\$1.90
				\$1.80
CHOKE CHERRY	NATIVE <i>Prunus virginiana</i>			
Wildlife loves this. Takes extreme drought. Likes sandy soils. Fruit can be used for jellies & juices.				
1 yr. Seedling	12-18"	30-45 cm	\$2.50	\$1.85
				\$1.75
FRAGRANT SUMAC	<i>Rhus aromatic</i>			
Dense shrubby habit. Red to purple foliage in Fall. Excellent for windbreaks and wildlife. Prefers dry sites.				
1 yr. Seedling	8-18"	20-45 cm	\$2.25	\$1.85
				\$1.70
STAGHORN SUMAC	NATIVE <i>Rhus typhina</i>			
Very fast growing shrub. Excellent for bank planting. Tolerates salt & dry conditions. Popular landscape plant due to brilliant red fall colour.				
1 yr. Seedling	12-18"	30-45 cm	\$2.00	\$1.25
1 yr. Seedling	18-24"	45-60 cm	\$3.00	\$1.35
1 yr. Seedling	2-3'	60-90 cm	\$3.50	\$2.50
ROSA RUGOSA	<i>Rugosa rose</i>			
Extremely hardy plant with deep pink to white flowers. Excellent hedge. Most popular of the roses.				
2 yr. Seedling	12-18"	30-45 cm	\$2.50	\$1.50
				\$1.40
WILD RED RASPBERRY	NATIVE <i>Rubus idaeus</i>			
Grows well in dry conditions. Excellent for naturalization of areas. Berries are smaller than cultivars but just as tasty.				
2 yr. Seedling	12"+	30 cm+	\$3.25	\$2.95
				\$2.75
AMERICAN ELDERBERRY	NATIVE <i>Sambucus canadensis</i>			
Very popular for wildlife and shelterbelts. Prefers moist soils. Fruit is very popular for jams, jellies and wine. Fruit is also attractive to birds.				
1 yr. Seedling	12-18"	30-45 cm	\$2.50	\$1.35
2 yr. Seedling	18-24"	45-60 cm	\$3.00	\$1.65
2 yr. Seedling	2-3'	60-90 cm	\$4.00	\$2.45
				\$2.25
MEADOWSWEET	NATIVE <i>Spiraea alba</i>			
Erect shrub up to 1.5 m in height with white flowers through to September. Multi-stem. Creamy white flowers in May/ June. Nice fall colour from yellow to purplish red.				
1 yr. Seedling	12-18"	30-45 cm	\$3.00	\$2.60
				\$2.50
SNOWBERRY	NATIVE <i>Symphoricarpos albus</i>			
Bright white berries are attractive in the fall and into winter. Excellent for soil erosion.				
2 yr. Seedling	12-18"	30-45 cm	\$3.00	\$2.50
2 yr. Seedling	18-24"	45-60 cm	\$3.50	\$3.00
				\$2.90

COST PER SEEDLING			25-99	100-499	500-4999
LATE LILAC <i>Syringa villosa</i> Blooms after the other lilacs. Flowers are very pale purple to white.					
2 yr. Seedling	12-18"	30-45 cm	\$3.00	\$2.50	
COMMON LILAC <i>Syringa vulgaris</i> Fragrant lilac with purple blooms in May. Excellent for screen and windbreaks.					
2 yr. Seedling	12-18"	30-45 cm	\$2.50	\$1.80	\$1.65
2 yr. Seedling	18-24"	45-60 cm		SOLD OUT	
ARROWWOOD <i>Viburnum dentatum</i> Creamy white flowers in May/June. Nice fall colour. From yellow to purplish red.					
2 yr. Seedling	12-18"	30-45 cm	\$3.50	\$2.85	\$2.55
NANNYBERRY <i>Viburnum lentago</i> Will grow on a wide variety of sites. Excellent for wildlife & shrub borders. Clusters of white blooms in late Spring.

Description

Canada Red Rhubarb	One of the reddest varieties.
---------------------------	-------------------------------

Note: If interested in other varieties or larger quantities, please contact us for pricing and variety.

Tree Protectors

You can protect your trees and plants completely, quickly and inexpensively with our PLASTIC TREE GUARDS, a spiral tree and plant protector

Length	1-24	25-99	100 +	Please call for larger quantities.
24" 60 cm	\$1.75ea	\$1.40ea	\$1.20ea	
30" 75 cm	\$1.95ea	\$1.50ea	\$1.30ea	

- Speedy application, 20 seconds, does not restrict growth
- Complete protection against damage caused by rabbit, hare or other game which can kill or seriously damage trees and plants
- Protects stem and plant against mechanical and hand damage
- Protects stem and plant from chemical weed control such as Gramoxone (Paraquat)
- Protection against damage caused by frost as well as wind and sand blasts. Our tree guards withstand all climates
- Reduces shoot growth

NOTE: The tree guards may have to be checked periodically to avoid possible girdling

TWO YEAR FERTILIZER TABLETS

Designed to root feed evergreen and hardwood seedlings, trees, and shrubs for up to 2 years. Easy to use, non-burning and promotes vigorous growth. Tablet is simply dropped into the hole at the root zone of the plant at planting time. It releases fertilizer slowly for a 2 year period. These tablets do not dissolve by water, but depend upon the action of soil bacteria to convert their nutrients to a form that can be used by plants. Tablets are 10 grams each, 20% Nitrogen, 10% Phosphoric Acid 5% Potash. TABLETS SHOULD NOT TOUCH ROOTS.

Number of 2 Year Fertilizer Tablets Per Size Plant

1 Tablet	All Seedlings, Transplants, Rooted Cuttings
2 Tablets	Container Grown Plants
1 Tablet	For each 1/2" Diameter trunk, Larger trees and evergreens

Item No.	Quantity	Cost
FER0100	100	\$45.00
FER0500	500	\$170.00
FER1000	1000	\$300.00

60 cm	\$3.50ea.	\$2.65ea.

More sizes available, please call for pricing.

Save On Watering!

Pineneedle Farms Generic Gel

1 lb. of this gel will coat 1,000 to 3,000 seedling roots. This easy to use product is absorbent and retains water, giving it back to the plant during dry periods. Increases survival rate.

Landscapers: Please note this product can also be sprinkled on soil before sodding to improve moisture retention.

\$39.25*
*For larger quantity pricing, please contact us.

If you have no need for the Price List, kindly recycle it to a friend or neighbour
